

The image contains three technical drawings of the PCB:

- Side View:** Shows the profile of the PCB. Dimensions include a total width of 6.22 [.245], a central width of 1.71 [.068], a total height of 3.50 [.138], a top flange height of 1.05 [.041] ±0.15, and a bottom flange height of .70 [.028].
- Top View:** Shows the top surface of the PCB. Dimensions include a central circular feature with a diameter of .50 [.020] (4X), a square feature with a side length of 2.04 [.080], and a total width and height of 3.50 [.138].
- PCB MOUNTING HOLES:** Shows the layout of four mounting holes. The holes are arranged in a square pattern with a side length of 2.54 [.100]. The diameter of each hole is 1.27 [.050]. The distance from the center of each hole to the nearest edge is 1.27 [.050]. The text "PCB MOUNTING HOLES" is written below the drawing.
